---	--	--

2. **Spare:** - We would advise you to keep stock of spare driver which are of regular use to your good self for prompt customer service.
3. **Replacement & Repairs:** - Products with inbuilt drivers, driver on board products, Panels & below 3w will be replaced piece to piece. In case of Driver failure in other products it will be replaced with spare drivers. If **LED/COB/PCB is not working then it will be replaced with new LED/COB/PCB**. No home service for repairs will be provided to any customer.
4. **Return Policy:** - Return material will not be accepted unless the goods are **DEFECTIVE** and under warranty. Customer should return faulty material on immediate basis so that we can repair it and send back within two or three days. Outstation customers should send material on weekly basis or maximum in 15 days interval, with proper list of products. Samples will be given on non-returnable basis only.

5. **Packing:** - Customer should send material along with documentation for repair with appropriate **PACKING/PROTECTION** so that product won't get damage during transportation.
6. **Defective Pickup:** -Customer should give prior information of faulty material so that we can arrange **FREE** pickup; wherever possible. Rejected/rework material will be picked up by our Company at **COMPANY'S COST**. Through our **Fedex surface service A/c no. 984729618**
7. **Notes:** -If any issue/physical damage/mismatch occurs in dispatched material, customer should inform within a **day of receipt** of material. Customized order products will be on 100% advance basis and material will not be returned unless for repair purpose only. Outsource drivers / power supply supplied as per customers requirement will not be taken back unless it is defective and under warranty.
